Hokkaido's No. 1 Rusutsu Resort

## Rusutsu has won 'BEST SMALL RESORT' in The Great Skiing & Snowboarding Guide 2008 Awards.

These prestigious 'White Oscars' go to the resorts, hotels and restaurants that demonstrate particular merit. Two winners are selected for each category: one in Europe and one in North America/Rest of the World. The other winner was Vaujany in France.

**The Great Skiing & Snowboarding Awards** are judged by a panel of experts including the authors of the guide and take into account nominations supplied by readers.

**The Great Skiing & Snowboarding Guide** (516-page), published annually by Cadogan Guides in the original English language ski guide that evolved from The Good Skiing & Snowboarding Guide, which was first published in 1985.

It takes an intensely critical annual look at the top 120 ski destinations in the world and a less detailed analysis of hundreds of others in 21 countries. It is considered to be **the 'bible' of the ski industry worldwide**. The book appears on the website of **The Ski Club of Great Britain**, one of the most popular sites worldwide for ski information.

It's always good to be bearer of good news!
