Activities & Entertainment

Breeze your way through all there is to do aboard, featuring fun fan favorites. From the friendly/competitive sports and fitness area we call SportSquare to the splashing, soaking, water-slidingly good times at Carnival WaterWorks, there's plenty to do for the active cruiser. Relaxing is another thing Carnival Breeze knows a lot about, whether it's by the pool, in the Serenity adults-only retreat, or with a beer in the RedFrog Pub, which also features an outdoor patio seating area. Speaking of outdoors, Ocean Plaza brings more of the outdoors indoors - but lets you take your pick - and is a great place to experience both yummy food options and fun entertainment, both day and night. Don't worry about running out of things to do - you won't - but don't be surprised if you have trouble deciding what to do next!
